Introducimos **el e-mail** y la **contraseña** que hemos indicado antes en el registro. Damos a **sign-in.**

Entramos en el proceso de doble verificación.

Accedemos a esta pantalla.

Multi-Factor Authentication

Multi-Factor Authentication is an additional security feature designed to prevent anyone from accessing your account, even if they have your password.		
With MFA, your identity will be verified using a code.		
We've sent an email with a code to Ju***@ibm.com . Enter it to access your account.		
Continue		
Resend Code		
If you don't see our email right away, be sure to check your spam folder. If you didn't receive our email, click Resend and we'll send another.		

Tendremos que ir a nuestro correo electrónico. Tendremos un correo como el que se muestra en la pantalla de abajo en el que se nos muestra el código que tenemos que introducir en la pantalla anterior (recuadro gris).
